## ***R-E-S-P-E-C-T***

*What does it LOOK like, FEEL like, SOUND like?*

It's amazing how such an overused term can lose its meaning. This month we will focus in on the DETAILS of respect. We will explore how we show respect in all settings at school as well as home and the community. We will become detectives and investigate our OWN behavior to see how we can INCREASE respect in our lives. Lastly, we will discuss how respect is like a gift we can give to others... the cost is low and the payoff is high!

Check out the music video we will be watching: <https://www.youtube.com/watch?v=iGuT9-Y5J4>

Create a family guide to R-E-S-P-E-C-T and decide what you need to STOP doing, START doing, and do DIFFERENTLY to increase the level of respect within your home!
